

Manolis Chatzikonstantinou

Assistant Professor, Georgetown University Qatar

Education City – Qatar Foundation,
PO Box 23689 Doha Qatar

ec1269@georgetown.edu | [My Georgetown webpage](#) | [Github](#) | [Google Scholar](#) | [LinkedIn](#)

Currently

My current research focuses on the local determinants of new skills, and firm-level digital and AI adoption. In the field of international trade, I study exporter growth and the formation of new relationships; and firm adjustment to trade and geopolitical frictions.

Research Areas

Economic Growth, Knowledge Spillovers, Exporter Dynamics, Multinational Firms, Artificial Intelligence

Specialized in

Big Data Analysis of international trade and online job posts
Economic Growth Models, Dynamic Stochastic General Equilibrium Models
Digital Technology Adoption Analysis
Production Asset Pricing, Empirical Asset Pricing

Education

2021
2017
2017
2014

Ph.D. Economics, University of California, Los Angeles, CA, USA.

M.A. Economics, University of California, Los Angeles, CA, USA.

M.S. Applied Mathematical Modelling, National Technical University of Athens, Greece

B.S. Accounting and Finance, Athens University of Economics and Business, Greece
